Senior Star!

Grace Foster

Grace Foster is one accomplished lady! I was excited to learn from her daughter-in-law, Ruthie Powell, that Mrs. Foster was a successful career woman, juggling a demanding position as a surgical nurse and raising two children, Alan and Sara. She later went on to become a nursing instructor.

After retiring from her profession, she decided to pursue her passion for traveling. Some of her favorite destinations included Australia, Switzerland, Romania, Alaska and the Caribbean. Apparently, Mrs. Foster has a wonderful collection of photographs from her travels and loves to share stories of her adventures abroad. She is also an avid collector of bird figurines from other countries, as well.

Other interests and talents include southern style cooking, quilting, and crocheting. Family members enjoy using and displaying the fine quilts that she has crafted. Mrs. Foster has even tackled the difficult craft of "tattooing" which is the specialty art of lace making. She enjoys socializing and going to her favorite restaurant, "Mitties" of Alpharetta for some delicious southern cuisine.

The "apple of her eye" is her grandson, Ryan and his wife, Grace. One of Mrs. Foster's happiest occasions was Ryan & Grace's wedding which she attended with the assistance of her Easy Living caregiver, Betty. Betty traveled with Mrs. Foster and assisted her during the festivities.

Easy Living Services thanks Mrs. Foster for the privilege of serving her for the last five years!
